Sponsors

We are looking for sponsors for the 2nd Annual Naples Pride event June 2, 2018.

The mission of the Naples Pride is to promote the well being of all gay, lesbian, bisexual, transgender and queer identified people and those discriminated against based on gender identity and expression.

A percentage of the funds will go towards the LGBTQ emergency fund to help our community members in need. The event will take place at Cambier Park, Naples from 11-5 pm and it will include music, entertainment, food, drinks, business vendors.

We had around 4500 people show up at last year's event and everyone is excited for the 2018 Naples Pride. We expect over 5000 people, the support is amazing and we'd love for you be part of it! There are several sponsorship levels. Please review the levels below and fill out the form if you'd like to become a sponsor.

The deadline for the Rainbow and Equality Sponsors is April 15th to enable businesses to take advantage of the promotional opportunities and be included on the Banners. The deadline for all the other sponsorships is April 30th. We could not do this without your support. Thank you!
