This night is more than just a party—it's a statement. At a time when our LGBTQ+ community faces mounting challenges, Naples Pride remains a beacon of love, resilience, and empowerment. Since its founding in 2017 as Pride with a Purpose, Naples Pride has worked tirelessly to foster inclusion, equality, and support.

As the only LGBTQ+ resource center in Southwest Florida, Naples Pride Center provides lifesaving programs to those who need them most. From free mental health services and a walk-in health clinic to support groups and social events for individuals and families, scholarships, and guidance for families navigating their LGBTQ+ journeys, our mission is to uplift, support, and create a safe space for all.

We are also proud to grow our Business Alliance Directory, connecting inclusive businesses and strengthening the community by fostering economic empowerment and support.

Your attendance fuels this mission, ensuring that we can continue to serve, advocate, and create a world where everyone is celebrated for who they are.

Honoring David Goldstein - A champion for equality and a tireless advocate for our community.

If you can not attend, you can still make a difference—all donations are tax-deductible and go directly toward supporting our mission.

Together, we will make history, take back the '20s—boldly, unapologetically, and with pride—and ensure Naples remains a place where everyone is welcome.
